SERVICES WE PROVIDE

Social Responsibility :

We ensure that the merchandise is collected from fully complied factories as per environment control, safety measured and labor law practices.

Sampling and Development:

Having our own development center, We could turn around any sample within a very short period of time based on customers tech pack or our designs .

Factory Sourcing:

Upon order confirmation we choose the production facility based on the product , fabrication , delivery period, market etc.

Procurement:

We arrange fabric quality swatches / Lab dips, knit downs , yarn looms and all the trims for approval of buyer. Once the approvals are in place we place the bulk orders promptly and follow up for on time deliveries based on factory production plan.

Quality Control/Assurance:

The QC team visit factories on regular basis, in order to ensure factories follow buyer's quality standards and trouble shoot if any part of the process is slipping including the deliveries .

Logistics :

Once the shipment is ready and packing slip is sent to us, we make arrangements to conduct final inspections and in co-ordination with commercial department we contact shipping lines for timely movement of shipments with all the proper documentation .
